Do you need help or advice?

The **Dudley District Citizens Advice Bureaux** provide free, independent and confidential information and advice. We make a positive difference in the Community by enabling clients to help themselves and by campaigning for change.

Adviceline: 03444 111 444

www.adviceguide.org.uk

To cut waiting times, we have a system called 'Gateway' which means you will be offered a short interview (approximately 10 minutes) so that your problem can be assessed.

The Adviser will then decide the next course of action for you.

This could be to:

- Give you information to resolve the problem
- Make an appointment for you to see a general adviser
- Direct you to another agency

Telephone Adviceline

Calls to this number will be directed to The Black Country Adviceline Team initially, however may be answered outside of your local area.
